

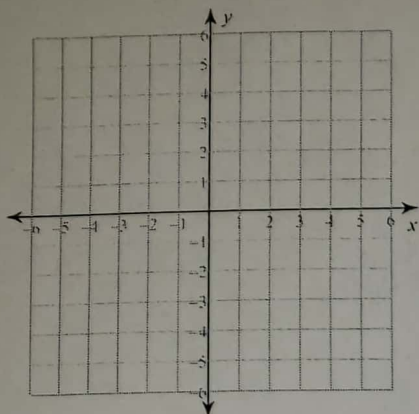

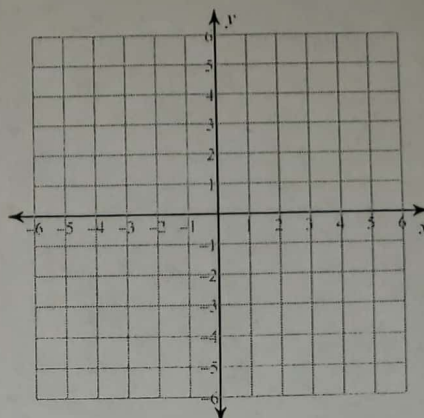

Graphing Linear Inequalities

Sketch the graph of each linear inequality.

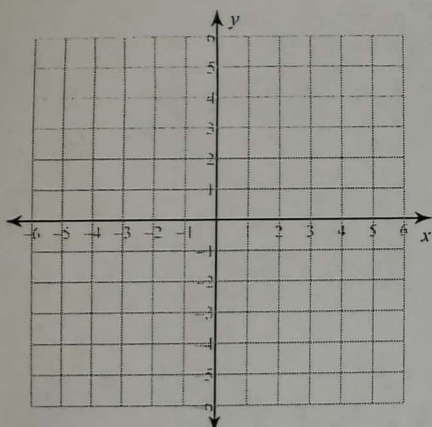

1) $y \geq -3x + 4$

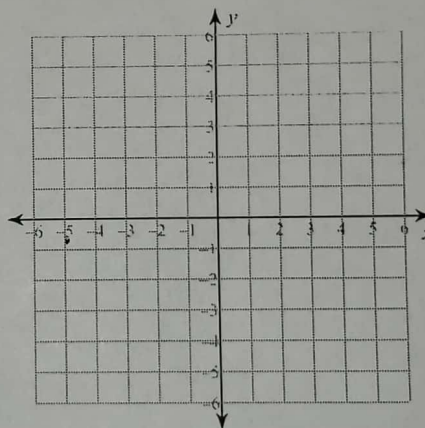

2) $y \leq \frac{3}{5}x - 5$

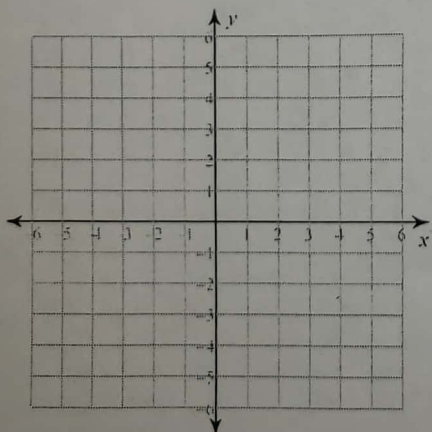

3) $y > -x - 5$

4) $y > -4$

5) $y > 2x - 5$

6) $y \geq \frac{7}{4}x + 2$
